LUXURY HOMES | GOLDEN MILE, KOKAPET

A PROJECT BY

We hope this email finds you well. Your trust in our team to build your abode is greatly appreciated and we thank you for your investment made. Rest assured, your dream is being made into a reality by the best in the industry.

BEYOND EXPERIENCE

After immense patience and trust from your end, we are thrilled to announce that the wait is finally over. We, at The Trilight, celebrated the launch of our project at our recently completed experience centre on 3rd and 4th February, 2023. As our loyal patron, we would be enthralled to invite you to visit our Experience Centre from 4th of February, 2023. Our carefully curated marketing mecca offers a more thorough look into our Tri-towers at Golden Mile, Kokapet, Hyderabad.

ACTUAL IMAGE

Sticking to our promise of delivering a feeling 'beyond experience', we've intricately crafted the Experience Centre to give you an extensive look into each ornate and functional facility of our pristine towers. We've constructed a model flat of 4777 sq. ft. in the experience centre for you to walk through the corridors of your awaited flats and visualise life in your new home, while getting a taste of the quality of homes you can expect. You'll be able to bask in the glory of the project as a proud owner of a home at The Trilight.

ONE OF A KIND

For an even in-depth look into the subtle details of the project, our experience centre is also equipped with a one-of-a-kind Augmented Reality interactive experience. Here you can get a 100% realistic feel of your new home and see how it will look and feel before it's even built. We've used high-quality drone footage with state-of-the-art technology to map through the areas in and around the flats, giving a high-definition and interactive look into the site.

This AR includes a Day/Night cycle, helping the viewers appreciate the magnificence of the Trilight Towers during dawn, noon and dusk. You will be delighted by the first three-dimensional look of the three clubhouses, the gorgeous infinity pool and feel the sheer height of the towers through the balcony views from the virtual apartment. They'll also be able to have a sweeping view of the Golden Mile.

This AR experience is truly one of a kind and we would love to give you a tour of your new home at our experience centre.

DEVELOPMENTS IN THE WEST

The Trilight towers will add to the grandeur and fast-growing community in and around the Kokapet which is quickly becoming the gold standard for the major real estate players in Hyderabad. Here are a few developments around your future home at the Neopolis.

Firstly, an exclusive Trumpet junction is being constructed at Kokapet. This interchange at the Neopolis will ensure better connectivity for traffic coming from Neopolis Layout, Movie Towers and other localities in Kokapet going towards Gachibowli.

Moreover, as part of Hyderabad Metro Phase 2 project, an Airport Express Line is being developed by the Telangana Government. This 32 km express line will connect Mindspace Junction and Rajiv Gandhi International Airport in Shamshabad via 10 stations.

In addition to this, a 75-acre IT is also being constructed with economic zones like offices and non-economic zones like retail, entertainments, banquets, 5-star hotels and lots more. Once completed, the new IT park would open a new avenue for IT firms and it will be at least five times bigger than other IT hubs in Hyderabad. These upcoming innovations have seen a threefold increase in the appreciation value of the Golden Mile and the residing properties from the time of pre-booking.

Thus, dear patron, we at Trilight will be pleased to have you at our Experience Centre to offer you the said hands-on look at our pristine Tri-Towers. Our executives will guide you through this entire process. Your arrival will be awaited.
