**A Flashback Of The Successful Year 2023!**

We commenced the year with the launch of The Trilight project, unveiling the 'Experience Center' crafted by Hyderabad's esteemed designers, Aamir & Hameeda, featured in Forbes' top 7.

'Saviours of Society' marked a captivating event where we honored 50+ skilled doctors across various specialties, celebrating Doctors' Day. Distinguished guests at the event included Ajay Misra IAS, actor Raja Hebel, and Senior Supreme Court Lawyer Vikram Pooserla.

The Meet & Greet with designers, Aamir Sharma, Meghna Dulani, and Shashwat Gehenwar at the Experience Center delved into the creation of The Trilight, addressing queries of future architects and designers.

Our international acclaim soared as we showcased our brilliance at expos in Dubai, Bahrain, Singapore, and the USA, captivating global audience.

Closing the year with a splendid Diwali celebration, The Trilight homeowners and future neighbors, united four years before project completion, etched unforgettable 'Shining Together' memories.

Truly, a starry year with The Trilight.
